

Autobooks works hard to make small business banking simple. Through our partnerships with banks and credit unions, small business owners can gain access to a modern suite of tools to help making running their business easier.

When you join Autobooks, you're joining a team dedicated to small business growth. We want your ideas, passion and experience to continue improving what we offer.

Our downtown Detroit HQ is in the vibrant Madison building, named one of the World's Coolest Offices by Inc. Magazine. Autobooks also has a growing presence in Texas with a satellite office in Austin; and offers flexible, remote work environments for certain roles.

Ready to help change what it means to do small business? Let's talk.

The Role: Solutions Engineer

Our team is looking for a motivated individual with accounting or finance experience that wants to become an integral part of developing financial software! The solution engineer will be involved from beginning to end of the software development lifecycle.

Responsibilities:

- Assisting product owners in shaping a project and defining business requirements
- Helping translate business requirements into actionable development tasks
- Working with QA and developers to assure that project goals have been met
- Becoming a product expert who can field questions from both product owners, developers, and quality assurance engineers

Required Experience/Skills:

- Experience in an accounting related role
- Understanding of Accounts Receivable and General ledger
- Organized and ability to manage multiple projects
- Passion for learning and personal growth
- Experience with SQL is a plus

Our Values:

- Teamwork
- Sense of Urgency
- Integrity/Ethics
- Accountability

Job Location:

- Detroit, MI/ Remote

A flexible, entrepreneurial work environment and team atmosphere makes this a great place to work. Please provide a complete resume and work history detailing your qualifications and experience to careers@autobooks.co and indicate "Office Manager" as the subject.
